

STAND UP POUCHES

New
PRODUCT
LINE!

Our Stand Up Pouch offering includes the most common sizes and styles used for food packaging. All items have a K-Style configuration and hang hole, a tear notch at 1", and a zipper at 1.5". Side sealed and bottom gusseted, all Laddawn Stand Up Pouches are FDA and USDA approved.

These pouches are great for R&D, trial, beta testing and market introduction phases of product development.
