Designed for safety and security, these barrier pouches are comprised of multiple layers of film to offer premium barrier protection for the contents inside, and exhibit a zipper specifically designed to keep children from being able to open them. Once heat sealed, the pouch is truly hermetically sealed.

All pouches meet the requirements of the Code of Federal Regulations (CFR) Title 16, Part 1700, including Part 1700.15 & Part 1700.20.

Custom printed options are available.
See reverse for details.

These innovative tamper-evident AND child-resistant pouches are specifically tested to meet the needs of the rapidly growing food, medical and cannabis industries.
